Triangle Consortium for Reproductive Biology

Saturday Jan, 31, 2009

8:00 AM - 1:30 PM

Rall Bldg. Rodbell ABC (Regional Event)

The 18th Annual Meeting of the Triangle Consortium for Reproductive Biology will be held on January 31, 2009. The title of the Meeting is Pregnancy and Fetal Development.

In addition to the oral presentations, there will also be poster sessions. We encourage all students, postdoctoral fellows, technicians, etc. to present their work at this meeting. It is always a great occasion to meet new colleagues and exchange ideas.

Please note the following:

The deadline for pre-registration for the Meeting has passed; the registration fee will be \$10 for students/technicians/postdoctoral fellows and \$25 for faculty. **HOWEVER: REGISTRATION CAN BE COMPLETED AT THE DOOR. PLEASE DOWNLOAD AND FILL IN THE FORM IN ADVANCE TO SAVE TIME.**

Registration and abstract submission should be made electronically. However, the check for registration will have to be sent by mail (see Registration notice) and should be received within 7 days of the email transmission.
